Table of Contents

| | |
|---|----|
| Chapter 1: Background..... | 1 |
| Interoception and Body Sense..... | 1 |
| Interoception as the Regulatory “Ground Floor”..... | 2 |
| Interoception and Subjective Sense of Self..... | 3 |
| Sensation, Perception, and Emotion: Unified Prediction-Action System..... | 3 |
| When Interoceptive Processing Falters..... | 4 |
| Chapter 2: MAIA-YCD Research and Development..... | 6 |
| MAIA-Y Questionnaire Format..... | 6 |
| Psychometric Properties..... | 7 |
| Illustrated Card Deck Format..... | 7 |
| Design and Components..... | 8 |
| MAIA-YCD Clinical Feasibility Study..... | 10 |
| Chapter 3: Theoretical Foundations of Visual Assessment..... | 11 |
| Dual Coding Theory..... | 11 |
| Multisensory Learning..... | 12 |
| Constructivist Learning Theory..... | 13 |
| Chapter 4: Administration and Scoring..... | 14 |
| Materials and Administration..... | 14 |
| Dual Scoring: Linking Interoception Scores and Comprehension Ratings..... | 15 |
| Comprehension-Based Scale Scoring..... | 16 |
| How the Dual Scoring System Works..... | 17 |
| Clinical Functions of the Dual-Scoring Approach..... | 17 |
| Distinguishing General Comprehension from Interoceptive-Related Literacy..... | 18 |
| Steps for Dual Scoring..... | 19 |
| Clinical Interpretation by Score Type..... | 21 |
| Special Administration Considerations..... | 22 |
| Chapter 5: Creating Interoceptive Awareness Profiles..... | 24 |
| Understanding Ipsative Profiling..... | 24 |
| Steps in Calculating the Ipsative Score..... | 24 |
| Interpreting IA Profile Patterns..... | 25 |
| Core Pattern Configurations..... | 28 |
| Measuring Change Over Time..... | 32 |

| | |
|---|----|
| Chapter 6: IA Wellness Wheel and Collaborative Goal Setting..... | 36 |
| Using the IA Wellness Wheel..... | 37 |
| Special Considerations..... | 39 |
| Ipsative Goal Setting and Assessment Process..... | 39 |
| Iterative Progress Tracking..... | 40 |
| Chapter 7: Technical Information..... | 44 |
| Assessment Appropriateness and Cognitive Requirements..... | 44 |
| Psychometric Properties..... | 44 |
| Specific Issues in Younger Youth (7–10 Years)..... | 45 |
| Subsequent Translations and Validation Studies..... | 46 |
| Summary of Psychometric Strengths and Limitations..... | 46 |
| Challenges in Assessing State-Dependent Interoceptive Awareness..... | 48 |
| When and How to Account for State Influence..... | 49 |
| Rigid stability..... | 50 |
| State instability..... | 50 |
| Chapter 8: Interoception in Special Populations of Children and Adolescents | 52 |
| Established Features of Interoceptive Awareness..... | 52 |
| Transdiagnostic Nature of Interoceptive Disruption..... | 55 |
| Condition Specific Interoceptive Research Snapshots..... | 55 |
| Anxiety and Depression..... | 55 |
| PTSD and Developmental Trauma..... | 58 |
| Alexithymia..... | 60 |
| Autism..... | 62 |
| Chronic Pain..... | 64 |
| Eating Disorders..... | 66 |
| Emergent Cross-Cutting Themes..... | 70 |
| Transdiagnostic Interoceptive Patterns..... | 70 |
| Recurring Interoceptive Awareness Configurations..... | 71 |
| Phase-Oriented Interoceptive Intervention Across Conditions..... | 71 |
| Limitations..... | 72 |
| Key Takeaways..... | 73 |
| Appendices..... | 74 |
| MAIA-Y/CD Items and Scales..... | 74 |

| | |
|--|----|
| Sample Score Report..... | 75 |
| Interoceptive Awareness & Comprehension Report Examples..... | 77 |
| <i>Profile 1: Maya, Age 9</i> | 77 |
| <i>Profile 2: Jaylen, Age 14</i> | 79 |
| Sample Report: Interoceptive Change..... | 82 |
| References..... | 86 |
